In addition to PA Game regulations, the following rules apply when hunting on Club grounds:

- ◆ No single projectiles while hunting with firearms on Club grounds, hunting is limited to shotguns and archery equipment.
- ◆ Hunters must wear a fluorescent orange hat for all hunting on Club grounds; this is in addition to any fluorescent orange required by PA Game laws.
- ◆ Tree stands may not be left on Club property, and must be carried in and out each day.
- ◆ Hunters using tree stands are required to wear a full body harness while on Club property.
- ◆ Baiting is not allowed on Club property

Safety Zone violations will not be tolerated and you are responsible for your actions on Club grounds. Please hunt safely, and respect safety zones while on Club property.
A Florescent orange hat or vest is mandatory while hunting.

***** Notice To All Club Members *****

Membership cards must be displayed in full view at all times while on Club grounds. Dependents using a copy must display it at all times. Members are responsible for the conduct of their dependents while on Club grounds. Always obey Club rules.

VOLUNTEERS NEEDED

Over the past seventy years, we've been very fortunate to have had many members of our Club volunteer to help with Committees and Club projects. Many of those volunteers are no longer with us, or unable to work on Committees or projects. **We need members to volunteer to work on Committees and Club projects. What would it take for you to volunteer?**

Please step up and help our Club. We keep operating expenses and dues low by doing the work at the Club ourselves. **We need members to volunteer to work in the following areas: Archery, Fish, Pistol, Rifle, Trap, Firewood, Property and Grounds.** If we do not have members volunteer, these committees and activities may not exist. We may also have to raise dues to cover the cost of hiring people to do the work.

If you are interested and would like to volunteer, please call the Committee Chairman of the Committee that you are interested in. Their names and phone numbers are listed on the Club's website under Board of Directors and in every Club Newsletter on the left side of page 2, under Board of Directors. Thank you, **Board of Directors.**

The summer series has started, but there is still time to come out and have some fun. The date for the class shoot-off on the schedule is incorrect. Sorry, the correct date is September 12th, not the 13th. The website and this newsletter have been updated. The results for the winter series are high gun **John Hannahoe** - 281x300, second high gun **Pete Farrand** - 277x300. IF YOU USE THE MANUAL TRAPS AFTER TROUT OPENS MAKE SURE YOU RING THE BELL TEN (10) MINUTES BEFORE YOU BEGIN SHOOTING TO ALLOW FISHERMAN AT THE STREAM TO CLEAR OUT. Thanks, **Henry**
